## New Harrogate Location

Some of you may not know about our new location in central Harrogate. If you want to see Nicky then she consults there every other Saturday at

The Serenity Centre  
8 Montpellier Street  
Harrogate  
HG1 2TQ  
Harley Street

## Harley Street

Nicky now consults at Harley Street, London in addition to Norwich & Harrogate, and her main clinics at Stafford.

## £10, £10, £10... Referral Scheme

Nearly all our new business comes from patient recommendation. If you refer someone to us then as a thank you we will credit your account with £10. Keep referring and keep earning credit. We can send you referral cards with your own personal ID to hand out. Please call if you would like us to send you some.

The Serenity Center  
8 Montpellier Street

## Referral Scheme Magnetic Resonance Treatment

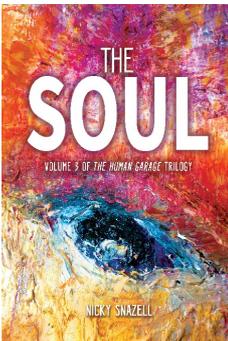

We may longer have MRT at Harrogate, but it's still available at Stafford and many patients choose to stop over at a B&B to complete their treatment to minimise travelling.

If you refer a patient for MRT who then goes on to have at least 5 hours of treatment, we will credit your account with 1 free hour.

That means if you refer 3 people, your next top up will be free. Keep doing that and you won't have to pay for MRT again.
